

Hi-FYVE FYSPRT

Gift Cards available
for participating
youth between
12-20 years of age

When youth have a voice – a voice that's heard and acted on by adults- they have power to change the world for the better

Held via zoom on
The Fourth Monday
of the Month

4:00 - 5:30 PM

Hold your camera lens
over the QR for 1-click
access from your cell-
phone or tablet

What is a FYSPRT?

A dedicated platform for families, youth, and system partners to collaborate, listen, and incorporate community voices into behavioral health service decision making in Pierce county and the state level

You Are Welcome, please join us

Provides all participants a chance to voice concerns and ideas to help construct more equitable services in our community.

Your participation in this forum will serve as direct feedback to the behavioral health system in your community.
