

# Hi-FYVE PIERCE REGIONAL FAMILY YOUTH SYSTEM PARTNER ROUND TABLE (FYSPRT)

## MEETINGS EVERY FOURTH MONDAY OF THE MONTH AT 4:00PM-5:30PM

Hi-FYVE Pierce FYSPRT is designed to influence the child-serving systems in Pierce County and promote proactive changes to improve behavioral health outcomes for children, youth, and families.

FYSPRTs serve as an integral part of the Children's Behavioral Health Governance Structure that was adopted within the T.R. et al. v. Strange and Birch Settlement Agreement and informs and provides oversight for high-level policy-making, program planning, decision-making, and for the implementation of this agreement, including the implementation of [Wraparound with Intensive Services \(WiSe\)](#).

Due to COVID-19 precautions, meetings will be held on Zoom until we can safely reconvene in person. More information on the Hi-FYVE Pierce FYSPRT website [here](#).
