

NATIONAL CHILD ABUSE PREVENTION MONTH

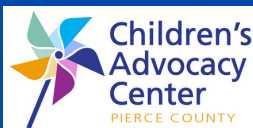

KIDS MENTAL HEALTH PIERCE COUNTY PRESENTS

RESOURCE HIGHLIGHT: CHILD ADVOCACY CENTER OF PIERCE COUNTY

APRIL 20, 2023 AT 3:00PM

April is National Child Abuse Prevention Month. Child abuse and neglect are preventable, and all communities benefit when children and families are well supported. Join us for a virtual webinar as we highlight the Child Advocacy Center (CAC) of Pierce County. When child abuse is disclosed, you may wonder where to turn, how the legal process works and how your family will be supported during an investigation. The Children's Advocacy Center of Pierce County provides a child-focused, safe place for families to get help.
